PRESIDENT'S CORNER:

Greetings fellow ASHRAE members!

I hope everyone enjoyed their summer and is gearing up for some football and cool fall weather. Our Board of Governors has had a busy few months welcoming new members and getting organized for the upcoming chapter year. Once again we'll be offering excellent technical programs as well as fun social activities with PDH opportunities mixed in.

The annual Fall Frolic Golf Outing will be kicking off our 2016-17 chapter year on Thursday, September 29th at Echo Valley Country Club. Please come out and join us for what is always a good time at a fun course. Also please consider becoming a sponsor of this event as it's a great resource for our chapter to raise money for ASHRAE Research Promotion.

Next up will be our October meeting which will be hosted by MODUS Engineering on Wednesday, October 12th. Harry Doyle will be speaking about the Net Zero features of their building and then will give us a guided tour.

The November meeting will be our annual trip up North to Ames to socialize with future engineers and tour new construction at Iowa State University. More details to come!

We have big plans for the spring 2017 meeting so stay tuned! In the meantime, hope to see you at the Fall Frolic!
