Registration for this event is required **on-line**. You can sponsor the event, enter all of your teammates and get your mulligans all set up prior to the event. Payment is fast and secure using PayPal or we can accept checks. Please have all payments in for the event no later than the registration deadline or your spot may be given to someone else.

All golfers must register on the Iowa Chapter [website](#) for this event. Registration is open until Wednesday, May 10th, or until we reach the maximum of 144 golfers.

Because the chapter is subsidising the cost of this event, we will not have as many prizes (if at all) as we have had in the past. Members are encouraged to bring any prizes they would like to see given out after dinner. Anything is acceptable from apparel to golf balls to gift cards. Drop off any prize donation at the registration table when you get to Glen Oaks. Thanks in advance for your generosity!

PRESIDENT'S CORNER:

Greetings fellow ASHRAE Iowa members! The 2016-17 chapter year is starting to wind down and this will be my last President's Corner as it is also the last newsletter for the chapter year.

The Iowa Chapter once again had a great showing at this year's CRC held in St. Louis. As I've sat in the business meetings at the past two CRC's, I'm always amazed at the strength and organization of our chapter compared to others. We have a long history of strong participation and volunteerism and that's what makes us one of the best. As an example, for (at least) the second year in a row the Iowa Chapter was the recipient of the Hornblower award at the CRC! This award is generally based on the number of CRC attendees from each chapter as well as how far they had to travel so the Iowa chapter is always in the running!

With my term as El Presidente winding down, I wanted to thank everyone on the Board of Governors (BOG) for all of their hard work and effort. I would also like to thank the local companies that support our chapter's efforts, both through sponsoring events and newsletters as well as supporting their employees who are BOG members. An all-volunteer organization like ASHRAE would not exist without the generous support of these companies and their employees. Thank you to all of the members who attended our monthly meetings throughout the year. The Iowa Chapter's main goal is to serve its members so seeing strong attendance at our meetings means we must be doing things right. It was great serving as your President this year. Have a good summer; see you in the fall!
